

Reinventing the wheel in the time of COVID-19

Passenger and employee safety is our number one priority during and beyond the COVID-19 pandemic. We have the following precautionary measures in place to make your trip with us as safe and stress free as possible.

Travel with peace of mind on-board Magic Transfers and Mega Coach.

Sanitisation

Vehicles are thoroughly cleaned and sanitised before each departure.

Load Capacity

Mega Coach and Magic adhere to the government regulations regarding loading capacity.

Protection

It is mandatory for our drivers & passengers to wear a mask at all times both while boarding and on-board our vehicles.

Drivers

We use expertly trained PDP professionals to operate our vehicles.

Temperature

Our staff's temperatures are checked regularly & our drivers have been equipped with temperature scanners to check boarding passengers temperatures before they are permitted to enter the vehicle should client require this.

Maintenance

We pride ourselves on the servicing and maintenance of our fleet.

Rates

We have competitive rates.
